4 Regulations and Information

- (1) Bring the reference card on the examination day.
When you lose or does not have your reference card, contact to the Head Office of Doctoral Program in Informatics.
- (2) Conduct the entrance examination according to the timetable. Enter the waiting room (7A208) by the meeting time.
If you are late for accidents on public transport or other unavoidable reasons, please contact “The Head Office of Doctoral Program in Informatics” and follow the instruction.
Before you enter the examination room, turn off all your electronic devices, such as cellular phones, smartphones and wearable devices (smart watch and smart grasses), after canceling an alarm setting.
- (3) Oral Examinations
 - 1) Each examinee’s oral examination will be about 60 minutes.
In the first 15 minutes, present the outlines and future plan for your research.
 - 2) **Follow the instruction of the examiners in the examination room.**

(4) Presentation

We hope your originality and enthusiasm on the presentation. However keep the following points:

- 1) Complete your presentation in 15 minutes include preparation.
- 2) If you want to use handouts, bring 5 copies and pass them before starting your presentation.

(5) Devices and Equipment

- 1) Projector, screen and 100V power outlet are ready for your use in the examination room.
A VGA cable (mini D-sub 15 pins) and an HDMI cable are available. No sound output is ready.
- 2) Please bring your own devices for your presentation, and turn them on before entering the examination room.
For presentation, you are allowed to use some equipment as long as you can bring by yourself.
- 3) Turn off devices such as mobile phones, smartphones, smart watches and smart glasses.
They will not used for presentation.
- 4) You are prohibited to access any networks in the examination room.
- 5) We will not take any responsibility, even if the projector in the examination room does not work. We recommend you to bring 3 copies of handouts of your presentation materials in case of trouble.
- 6) Recording of the sound and video in the examination room is strictly prohibited.

5 General Information

- (1) We do not arrange any accommodations for examinees.
- (2) University of Tsukuba does not respond inquiry of the examination result and request of notification by telegram.

The university has no connection with soliciting activities in the vicinity of the examination venues or the nearest railway stations offering services that purport to telegram the result of entrance examinations to examinees. Although some solicitors for such services may pretend to be members of the university, be cautious because they are not and the university assumes no responsibility for such activities.
