- Overview of the game

This game teaches and reinforces skills for avoiding and handling confrontation with bullies situations through the game, activity sheets, and role-playing..

Learn the skills printed on the bingo sheets through activities²⁾. There are 8 types of games and activities (e.g. SAFE FROM BULLIES GAME, WALK WITH FRIENDS ACTIVITY, and USE YOUR HEAD WRITING ACTIVITY).

- 1) There are four boxes under each letter (S A F E).
- 2) For each activity, a purpose, tools, materials, suggested classwork, and necessary sheets are provided.
